Subject: Slides for Argus presentation on Monday June 3 11:00 to 11:25 am by video link
Attachments: Argus - Plant Regulator-PBS Guidance - EPA - Russ Jones.pptx

Importance: High

Bob/Alyssa/Chris/Frank:

Attached for OBC and BPPD review is the slide deck for the Argus meeting in Atlanta.

Chris and Alyssa: Sorry for short turnaround request, but this needs your blessing before we send it to Rick K and OPP IO.

You have seen these slides before. **Only major change is Slide 15.** I verbally stated the first 2 bullet statements at the PPDC meeting last week.

Bullet 4 probably needs your approval.

Bob/Frank: I added more “meat” to the presentation by adding some slides from the World Biostimulants presentation in Miami in 2017 and re-arranged the order of some slides for better “flow” while I am speaking.
